**Subject:** Today's announcement about Circuit City

Ray,

As you have heard by now, Circuit City will conduct a going out of business sale. Effective immediately we will not need to continue our development efforts with your team. While this is sad news for our company, I want to take the time to thank you for all your efforts. Because of the work you had done here, if we were a going concern I would have looked forward to you playing a big part in our future. Hopefully our paths will cross again in the future. I definitely like working with partners like yourself.

Director, IT
